

Discover the European Citizens' Initiative - EU-wide webinar

Digital event, Tuesday, 3 May 2022 – 18:00-19:30 CET

Did you know that participating in a European citizens' initiative is one of your rights as an EU citizen? You can support ongoing initiatives or start new ones. The European Citizens' Initiative helps bring the causes EU citizens care about to the EU level, spark a debate, raise awareness and trigger policy change in the EU!

Learn how this unique tool of participatory democracy can help you have your say in the EU and promote the causes that matter to you. Initiative organisers will share their stories and experiences of running a European citizens' initiative and answer your questions. ECI experts will take you through the main steps of the ECI journey and the support available for organisers.

Agenda

18:00 – **Welcome and introduction**

Test your knowledge

18:15 – **Meet the European Citizens' Initiative**, European Citizens' Initiative team, European Commission
